

New Bone Standard Designs List

Sharp Dawson Dinnerware is a professional manufacturer of daily-use ceramic products. We are specialized in research, design, and produce fine bone china, new bone china, matte glaze and porcelain dinnerware as plates, cups, bowls, tea sets etc. Our office is based in Shanghai while our factories based in Shanxi province.

Our biggest advantage is the delivery time, the earliest shipment can be made 20 days ' after deposit. With the support of our own factory, we can make it happen. In the technology level, we are able to do under glaze and transmutation glaze.

Export countries: United States, United Kingdom, Australia, Japan, Dubai, Netherlands, Singapore and Germany etc.

Main customers that we provide service for:

Our factory was built in 2012 located in shuozhou city Shanxi Province. It has 5 automatic gas-fired kilns 3 automatic glazing lines and other advanced production equipment.
